### ORDER OF SALE (as agreed and carried out by NSA)

The 2024 vendors brought forward from 2023 will be divided into three sections. The last third will be moved to the front, the middle section to the end & the first 1/3 will move to the middle where they will be subject to a ballot. The other two sections will remain in their previous year's order. With this system vendors will only change order every third year & with balloting the middle section no-one should find themselves unfairly balloted. New vendors will be placed at the beginning & end of the ring, as happened previously.
